Notes: Subscriptions are due on the day of the Annual General Meeting (first Tuesday in February) every year. Only financial members may vote in club committee elections at the AGM. New members become eligible for a club membership badge on renewing their subscription after their first full calendar year of membership. If subscription is not paid by 30th April in any year, membership will be deemed to have been abandoned and club privileges will cease from that date. Lapsed memberships can be renewed at any time but, if applicable, time-based eligibility for club membership badges and suchlike will reset to zero.
